

Due: Friday, November 9, 2012

Name

1. Using the letter formation chart you received last week have your child practice writing the letters on the back of this sheet. We are enclosing a plastic sheet protector which you may keep at home to practice letter formation. You can slip the homework page into the plastic sleeve and use a dry erase marker to practice. This will allow the page to be erased and reused several times. Use this method if you feel your child needs and is willing to do extra practice before doing a final version to turn in.
2. Think of something that starts with the sound for the letter **Ff** as in **fox** and **Gg** as in **goat**. Draw a picture of the items in the boxes. Practice these sounds daily throughout the week.

Ff

Gg

3. Read to someone who loves you each night. Write the name of one person you read with:

4. Practice writing the numbers 1 – 10. Then cut out the boxes, mix them up and glue them in order in the blank boxes below. Practice any numbers that were tricky on the back of this paper.
