

Homework – Olders
Due Friday, September 7, 2012

Name

1. Please write one thing you have learned about each of the following body organs:

Heart: _____

Brain: _____

Stomach: _____

2. On the back of this paper write as many words as possible from memory without any help. Try to reach at least fifteen words, as that was last year's end of year kindergarten goal.

3. Read to/with a family member each night this week.

4. Do the attached math pages.
